

List Of Known Insurance Providers For Underground Storage Tank Owners And Operators

HOW CAN YOU GET THE MOST CURRENT LIST?

The companies, agents, and brokers listed on the following pages have identified themselves as willing to deal with UST insurance. The following is not a comprehensive list because there are doubtless other companies, agents, and brokers who have not yet identified themselves to EPA.

EPA will periodically update this list. The most current version will always be found on the Internet at: <http://www.epa.gov/oust/pubs/inslist.htm>.

Printed copies of this list will not be available. It is not practical to update and reprint them as often as EPA can update the version available on the Web site.

NEED MORE GENERAL INFORMATION ABOUT USTs OR FINANCIAL RESPONSIBILITY?

You can go to EPA's web site at <http://www.epa.gov/oust/pubs> to read or download a copy of ***Dollars And Sense: Financial Responsibility Requirements For Underground Storage Tanks*** (EPA 510-K-95-004), a booklet that briefly and clearly summarizes the financial responsibility requirements. You can also obtain ***Dollars And Sense*** and other publications about underground storage tank requirements from NSCEP, EPA's publication distributor, by calling 800-490-9198; writing to NSCEP, Box 42419, Cincinnati, OH 45242; or faxing your order to NSCEP at 301-604-3408.
